

PENALTY SCHEDULE FOR BUSINESS LICENSES

The following schedule is to be used for the number of months on prorated licenses and penalties that may apply. The penalty only applies to the license and not to any issuing fees. When renewing, the licensee must obtain all prior years before the current year's license may be issued. The penalty of 30% will apply to any prior years. The licensee must obtain the renewal of their business license prior to May 31st or they will be subject to a 10% penalty plus 2% each month thereafter.
