

Maryland Judiciary

Government Relations and Public Affairs

gr&pa

GOVERNMENT RELATIONS AND PUBLIC AFFAIRS provides government relations, public affairs, educational and creative services to the Judiciary. This division is the official liaison between the courts and state and local governments, media, schools, community groups, and the public.

GR&PA assists judges and staff with government relations, media, and public relations. We inform the public about Judiciary services, programs, and activities. We support the Judiciary with strategic advice, writing and editing, graphic design, video production, web pages, photography, printing, and more.
